- (1) Cavan Horse & Pony Sales shall not be liable for any statement made in a Sales Catalogue or from the Rostrum, concerning a Lot listed herein for sale, nor for any Description, Pedigree or Warranty expressed or implied on its behalf, such information being supplied by the Vendor who alone is responsible for its accuracy. The Vendor is obliged to disclose all past history of the animal in relation to unsoundness, ailments, vices, etc.

The Vendor must also declare any other problem with the animal to be sold, e.g. nervous/difficult to ride, difficult to box, or any other behavioural problems, etc. on the Vendor Warranty form also ensuring that these comments are announced by the commentator from the auctioneer's rostrum.
If a vice e.g. clinical signs or prior signs of sweet itch, etc. presents itself and the office is notified and it is found that this problem is verified then the animal is returnable (complaint must be lodged within 7 days post sale and if nothing has arisen prior to monies being paid out the contract is deemed complete)
Any horse that sucks its tongue or makes a sucking noise this is regarded as a vice and must be declared – if not horse is returnable
Post sale if any horse has any difference in description, something that is found to be severe that should not be there and is not recorded, e.g. any clinical signs of sweet itch, cataract in an eye, etc. then the animal is returnable to the Vendor. Complaint must be lodged within 7 days post sale and if nothing has arisen prior to monies being paid out the contract is deemed complete and any other dispute thereof will have to be taken directly between purchaser and vendor and Cavan Horse & Pony Sales will have no part.
It is the responsibility of the Purchaser to ensure that he is satisfied with the condition of any Lot before bidding.
- (3) There is no term implied in any sale that any Lot is of merchantable quality or is fit for training or any particular purpose. The Lot is sold subject to these Conditions of Sale and is subject to any announcements that may be made from the Auctioneers Rostrum, and accordingly it is the responsibility of all bidders to be in attendance at the commencement of the Sale of a Lot to hear any such announcements.
 - (a) Any Lot which is a Crib-biter or windsucker, has been unnerved, is an established weaver, established box-walker, napping, line or pin fired or has been tubed or otherwise operated on for unsoundness in wind or has shown any evidence of sweet itch or any vice whatsoever and is not so described is returnable

Failure to so notify the Auctioneers (Cavan Horse & Pony Sales) shall defeat any right or remedy the Purchaser may otherwise have pursuant to these conditions or otherwise. The Auctioneer shall then nominate a Veterinary Surgeon or other expert to investigate the Purchasers contention and the decision of such Veterinary Surgeon or expert shall be binding on the vendor and purchaser. In the event that a Lot is returnable by reason of the matters arising herein, the Vendor shall pay to the Auctioneer all costs, the amount of any payment under this Condition payable shall be fixed by the Auctioneers whose decision shall be final and binding on the Parties.
 - (d) OCD in foals and yearlings – whereby the animal shows symptoms of OCD within a short period of time post sale then the Lot is deemed to be returnable.

All expenses and charges incurred by such adjudication shall be borne by the party found to be in error. The Auctioneers shall not be liable as a party in any dispute between the Vendor and Purchaser or in any legal action arising there from.
- (4) After the fall of the hammer any Lot purchased is at the Purchaser's expense and risk
- (5) If the Purchaser of any Lot sold with a Pedigree or Description contends that it does not correspond with such Pedigree or Description the Purchaser must notify Cavan Horse & Pony Sales specifying the nature of the complaint either by phone, fax, letter or email within 7 days of the day of sale and in turn shall notify the Vendor. In the cases where a Veterinary Certificate is required Cavan Horse & Pony Sales may have the lot examined by a Veterinary Surgeon appointed by them and where the opinion of the Veterinary Surgeon so appointed does not agree with the opinion of the Purchaser's Veterinary Surgeon as expressed on his Certificate furnished, then the opinion of the Veterinary Surgeon appointed by Cavan Horse & Pony Sales shall prevail and shall be final and binding on the parties. If a problem is observed with a Lot prior to leaving the premises on a day of sale the Purchaser can notify an agent of Cavan Horse & Pony Sales. The fees of the Veterinary Surgeon appointed by Cavan Horse & Pony Sales shall be borne by the Vendor if the Purchaser's complaint is upheld, and by the Purchaser if not. Failure to return the Lot and to give the notice to the Vendor and to Cavan Horse & Pony Sales in accordance with this Condition shall be an absolute bar to any claim in respect of any alleged error in Pedigree or Description, and the purchaser shall be bound to keep and to pay for the Lot, whether or not it complies with such Pedigree or Description is unsound in any respects. If it be decided that the lot is returnable, the Vendor shall pay Cavan Horse & Pony Sales on behalf

of the Purchaser the cost of returning the lot, and the amount of any payment under this Condition shall be fixed by Cavan Horse & Pony Sales whose decision shall be final and binding on the Parties.

3. VETERINARY CERTIFICATE AND RE-EXAMINATIONS

- (i) The Auctioneers shall nominate a panel of approved Veterinary Surgeons. A Lot must be offered for sale with Veterinary Certificate from a member of this panel. It shall be Vendors responsibility to ensure that this Certificate is lodged with the Auctioneers not less than one hour before the expected time of sale. The Certificate shall be available for inspection by prospective Purchasers and may subsequently be read out from the Rostrum at the time of sale. In the event that a Certificate has been mislaid or not available for any other reason at the time of sale, the Auctioneers may in their absolute discretion decide to postpone the sale or not offer the lot for sale. In any event, the Auctioneers shall not be held liable to any party by reason of the non-production of the Veterinary Certificate.
- (ii) Once a Lot is purchased, the Purchaser must notify the Auctioneers within 30 minutes of purchase if a re-examination is required. In such event, the Auctioneers shall arrange for such re-examination at the expense of the Purchaser and such re-examination will be performed by a member of the panel other than such member who has furnished the original Certificate. If on such re-examination a defect is apparent in the Lot and such defect has not been referred to in the original Veterinary Certificate and the member carrying out such examination is of the opinion that such defect is of practical significance then if necessary a referee Veterinary Surgeon shall be called upon whose decision shall be binding on all parties.
- (iii) A Lot remains at the Vendors risk until completion of the re-examination procedure. Once re-examination has been completed and the Lot has passed such re-examination, such lot is then held to the Purchasers risk. Following sale of a Lot by auction or privately, it shall remain the Vendors responsibility:
 - (a) To ascertain if re-examination has been requested and
 - (b) To present such horse for re-examination.
- (iv) Brood-mares should be examined for pregnancy within 7 days prior to the date of sale. Where a Broodmare is sold with a Veterinary Certificate of Pregnancy, the Purchaser may have her re-examined for Pregnancy by a member of the Veterinary Panel before the Brood-mare is removed from the Cavan Horse & Pony Sales provided that the purchaser has notified Cavan Horse & Pony Sales within 30 minutes of purchase. If the Brood-mare is found not to be certified, she shall be returned to the Vendor unsold and the Vendor shall be liable for the expenses as if she had been sold. The Purchaser shall in all cases be liable for the re-examination fee. Where a mare is sold in an International Performance Sale and subsequently turns out to be in foal, this mare is returnable from Purchaser to Vendor if Purchaser so wishes and in turn all expenses incurred by Purchaser will be borne by Vendor plus purchased monies.

4. BLOOD TEST

The Purchaser of any Lot will have the right within 30 minutes of the fall of the hammer or as a result of a private sale to request that a blood sample be taken for subsequent analysis to detect pain killing anti-inflammatory or performance altering drugs. If on analysis the result is positive the Lot is returnable.

Random blood sample will be taken from entries on each day of sale to detect pain killing anti-inflammatory or performance altering drugs. If the result is positive the Vendor shall be barred from all future sales.

5. DISPUTES

Subject to foregoing Conditions, the Auctioneers (Cavan Horse & Pony Sales) act as the Agent of both the Vendor and the Purchaser and to this end, the Auctioneers shall use their best endeavours to act to the mutual benefit of both Vendor and Purchaser. In the event that any dispute arises for whatever reason as between the Vendor and the Purchaser, then the Auctioneers, the Vendor and the Purchaser shall be bound by these Conditions of Sale. The Auctioneers shall not be liable to the Purchaser or to the Vendor in any manner howsoever arising from the sale of any Lot and in the event of any dispute arising in relation to any Lot, the Vendor's remedy shall be against the Purchaser and the Purchaser's remedy shall be against the Vendor. In the event that the dispute arises as between Vendor and Purchaser in respect of any Lot before the Auctioneers have paid over any purchaser money, the Auctioneers on being notified of the said complaint and dispute between the parties, shall hold the purchaser money in their possession in the Clients Account until such time as the dispute is resolved as between the Vendor and Purchaser they both acknowledging to the Auctioneers that the matter has been so resolved. In the event that a Vendor or Purchaser initiates legal proceedings, the Auctioneers shall be bound by these Conditions of Sales and by any Order of Court in relation to the matter. The Vendor or Purchaser, as the case may be shall indemnify Cavan Horse & Pony Sales in respect of any costs incurred resulting from any proceedings arising out of a sale. **In the event of any dispute arising between purchaser and vendor for whatsoever reason (e.g. vices, lameness, riding problem, inaccurate description/details, etc) post sale a representative of Cavan Horse & Pony Sales may at its sole and absolute discretion make a final and binding decision(s) with regard to the dispute.**

Where Cavan Horse & Pony Sales are brought in as a party to any dispute, Cavan Horse & Pony Sales will be entitled to payment of their legal and other expenses on a full indemnity basis from the party who joins them in. In the event of a Lot having been removed from Cavan Horse & Pony Sales premises then Cavan Horse & Pony Sales shall be entitled to repossess the Lot from anyone in possession of it.

6. SAFETY

- (1) Every person on the Cavan Horse & Pony Sales premises on which the Sale takes place, whether before, during or after the Sale shall be deemed to be there at their own risk and Cavan Horse & Pony Sales exclude liability in respect of any injury sustained by any of them or any loss or damage to property which may occur from any cause whatsoever, nothing in this sub-condition shall be taken to exclude or restrict liability at law for death or personal injury to any person arising from Cavan Horse & Pony Sales negligence.
- (2) Cavan Horse & Pony Sales accepts no responsibility for any disease, accident, loss or fatal or non fatal injury caused to a Lot (including death, theft or injury) or caused by any Lot while it is being moved by Cavan Horse & Pony Sales employees, agents or subcontractors between yards and Cavan Horse & Pony Sales premises or at any time whilst it is on Cavan Horse & Pony Sales premises. Provided always that nothing in this condition shall be taken to exclude or restrict Cavan Horse & Pony Sales liability at law for death or personal injury to persons arising from Cavan Horse & Pony Sales negligence.

7. PAYMENT, COMMISSIONS AND FEES

Money shall not be paid to the Vendor of any Lot unless the Lot is cleared by the Purchaser. In the event of a defaulting purchaser the Auctioneers shall not be held liable or responsible for any deficiency which may arise on the resale of an uncleared Lot. Cavan Horse & Pony Sales shall not be answerable for any deficiency which may arise on the re-sale of an uncleared Lot. Payment to the Vendor or his authorised agent will be made within 31 days of the day of the Sale in respect of those animals where payment has been received. Purchasers are advised that the only payment acceptable to Cavan Horse & Pony Sales on the day of sale is Cash, Debit Card, Credit Card, Banker's Draft or their own Cheque – Please note if paying by cheque this needs to be certified by your bank. These arrangements must be completed during banking hours.

From the 1st of January 2015 the Second Reduced Rate of Vat (currently 13.5%) applies to the supply of live horses other than those normally intended for use in agricultural production.

The Livestock rate (currently 4.8%) continues to apply to the supply of horses normally intended for use in agricultural production. Accordingly, the Livestock Rate (currently 4.8%) only applies to those horses that are supplied to a farmer. In practical terms, therefore, in order for the supply of a horse to qualify for the application of the livestock rate (currently 4.8%) the purchaser should make a written declaration to the VAT accountable supplier (Cavan Equestrian Centre Ltd) that he or she is a farmer (as defined in section 2 of the VAT Consolidation Act 2010) with details of his or her name, address and PPS/VAT registration number (If this applicable to you this farmer's declaration can be completed in the Sales Accounts office at Cavan Equestrian Centre)

Please note Price in Sales Ring is Nett of VAT and Commissions

Cavan Horse & Pony Sales reserve the right to charge interest on unpaid accounts at 5% per month or part thereof on all accounts which are unpaid 21 days after the last date of Sale.

Similar charges will be made for any Lot sold between the date of publication of the catalogue and one week after the date of Sale. Full commission is to be paid by the Vendor to Cavan Horse & Pony Sales in respect of any lot returnable and/or returned.

All sales: 3% of the sale price is payable by the Vendor and 6% by the purchaser.

8. PRIVATE SALES

All horses must go through the sales ring before an attempt of purchase is made. If a horse leaves the sales ring unsold a potential purchaser may negotiate directly (or with the assistance of a member of Cavan Sales Team) with the Vendor, if an agreement is reached both purchaser and vendor must put this transaction through the main office. Anyone found not adhering to these conditions will result in both Vendor and Purchaser being barred from future sales at Cavan Horse & Pony Sales

Please Note

Sterling cheques / cash will be accepted at a rate given by our accounts department on day of receipt.

NEW LEGAL REQUIREMENTS REGARDING TRANSFER of OWNERSHIP

On foot of a Statutory Instrument signed into law by the Minister for Agriculture Food and the Marine, it is now a legal requirement to report changes of horse ownership to the Passport Issuing Authority who issued the original passport for a horse. This applies for any horses whose ownership changes after July 1st, 2014.

When a horse is sold the seller should complete a Change of Ownership form and give it to the buyer along with the animals passport. The buyer should then complete their section of the form and return it to Horse Sport Ireland or Passport Issuing Authority along with the passport and the appropriate fee.
