

Brisk trading at Cavan Sales

You would be forgiven for thinking it was summer again given the hot trade around the sales ring at Cavan's November Horse & Pony sale. The dynamic duo of Auctioneers, George & Robert worked their magic and with very active bidding on the many Lots on offer buyers surely made their presence felt and helped vendors achieve very attractive prices which pushed the average price up over €500!

While It is always fantastic to welcome new faces to the sales it is always a pleasure to greet returning customers. Buyers hailed from Belgium, Sweden, Italy, England, Scotland, Wales, Northern Ireland and Ireland and helped 14 Lots to change hands for over €6000
